

Virtually invisible,
it sits hidden
behind the ear.

Olivia is wearing
Moxi in opal.

Enjoy the highest fidelity, most natural sound

Don't be fooled by Moxi's tiny size. Its advanced technologies work together to highlight the quality sounds in your life. Voices. Conversations. Laughter. Music.

Moxi brings back the sounds you've been missing, and eliminates distracting or unnecessary background noise. Automatically. Naturally. In any setting.

Stay connected:

Enjoy uncomplicated access to the wireless technology that is built into many devices: Cell phones, wireless TV listening, MP3 players and FM systems.

Convenient phone use:

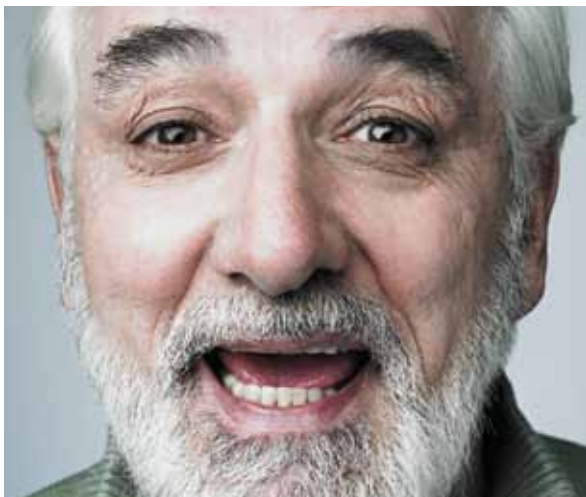

Moxi wearers enjoy the best array of phone solutions – easy, automatic and discreet.

Binaural Phone:
Ensures you can hear your caller's voice clearly in both ears, without the need for a separate accessory.

Speech takes the spotlight

Moxi puts the spotlight on speech in a noisy listening environment. It illuminates the speech you want to hear with brilliant clarity, while the sounds you don't want to hear fade quietly into the background.

Moxi provides the best speech intelligibility and comfort in any situation

The optional Smart Control remote is the only remote to allow real-time adjustments to comfort and clarity.

Moxi goes
beyond small size
and great looks.

It's comfortable
because your ear
canal stays open.

And so natural
sounding you
forget it's there.

Smart. Small. Sophisticated. Meet Moxi.
